

Highlander Outdoor Pet Gate Use and Care Guide

Step 1

Your Outdoor Pet Gate ships fully assembled and ready for use! Simply remove it from the box and set it into position.

This gate is equipped with double acting hinges that allow you to use it in multiple formations.

Your gate is constructed of White Oak hardwood which is extremely durable for outdoor use. To keep the natural finish, your gate can be coated with Teak or Linseed Oil. You can also opt to finish it with your outdoor stain brand of choice or allow it to weather to an attractive natural patina.

Step 1

- Place this product on a flat, even surface.
- Do not lean or sit on this product.
- Keep this product away from fire or extremely high temperatures.
- Do not use this product for anything other than its intended purpose.
- Use a damp cloth to wipe clean.
- Extending the gate panels beyond 90° could cause tipping.
